

FREEBORN COUNTY FAIR

Path of livestock:

Stock is set into field & is not held.

#1 Stock must pass through two upright posts. These are the "time line".

#2 Stock pass around the pen counter-clockwise. (A chute or panel may be put in corner.)

#3 Stock travel into the closet opening of the chute, turn left & exit toward the ground poles.

#4 Stock travel the full length of the ground poles keeping all feet inside the poles start to finish.

#5 Stock enter the obstacle opening closet to the ground poles. They turn right and exit toward the half chute in the corner.

#6 Stock travels around the half chute and into the obstacle leaving facing the upright poles.

#7 Stock passes around a panel set wall away from the arena side fence. (A panel may be set closer to the fence or turned into a chute.)

#8 All stock are put into the free standing pen. Time is stopped when gate is closed. pass through Obstacle #1)

HANDLER RESTRICTIONS (until stock

RANCH: Handlers may stand anywhere behind a line running across the arena in line with the back of the pen

NOVICE: Handlers may stand anywhere across the arena behind the upright poles.

RULES & COURSE CHANGES IN THE HANDLERS' MEETING TAKE PRECEDENT.
