

Spencer Brook Meadows & The Training Camp HOLIDAY NEWSLETTER

2008

The Training Camp Inc. and here at Spencer Brook Meadows would like to help fellow herders to share their interests and their best friends at Christmas time with their family and friends.

On Sunday, November 9 and Sunday, November 16, we will be taking pictures for Xmas cards of your choice. We will be taking the pictures from 9 am til Noon. We would appreciate it if you could let us know when you are coming.

I am going to be bringing some festive backgrounds and there are plenty of natural backgrounds there at the farm. JoAnna also will have sheep available for the pictures also.

So we should be able to have a fun day of taking some nice pictures, along with working your dogs at the same time.

So if you are interested in pictures for your holiday cards and if there is something special you would like in your pictures along with you and your dog bring it along with you or call and maybe we have some other ideas that would work. I am sure we can find just that special shot.

If need be we will try retakes on the next weekend or maybe you can not be there the first weekend.

Costs

The costs for the pictures will remain the same. I am charging \$5.00 for a straight forward, right off the camera picture 8 X 10. If I need to alter the picture to make it nicer or to remove leashes, collars ect. Those will be \$6.00. They take more time and usually a little more ink because of the makeup of the picture itself.

Plans for the New Year

I do plan on raising the prices for the New Year. Not by much but they will probably \$8.00 next year for a 8 X 10 Sheet. \$10.00 for a combination of any size in the 8 X 10. So order now of any of the events I took this year.

Plus I want to thank all of you that have given me support with my photography this past year. It is a hobby that I enjoy but your praise, your opinions, your input all have been appreciated. Thank you to you all.
